The Justis UK Core collection is comprised of an archive and updated collection and includes both reported and unreported content. The archive is a unique collection of data which has been manually scanned and uploaded from hard copies independently sourced by Justis. Content has been sourced from the Ministry of Justice, Royal Courts of Justice, Advocates Library and even individual Barristers who had sets of content. The updated collection is sourced directly from the court transcribers.

English Reports

Add-on product

Containing over 67,000 cases, the English Reports are the oldest collection of authoritative early law reports in publication, dating back to 1220. The series contains nominate reports from the Privy Council, High Court of Chancery, House of Lords, Court of the King's Bench, Court of Exchequer Chamber, Crown Court and more. Available to purchase alongside any Justis Core product.

State Trials

Add-on product

Over seven centuries of higher criminal jurisprudence covering English trials relating to offences against the State. This includes Cobbett's State Trials and the New Series (Macdonell and Wallis), with additional material sourced from National Collections and the English (Nominate) Reports. The series features coverage between 1163 and 1858. Available to purchase alongside any Justis Core product.

The Times Law Reports

Add-on product

All case reports published in The Times newspaper. The collection contains over 15,000 cases dating back to 1987. Over 800 cases are published each year and come from a wide range of jurisdictions, including the UK courts, the European Court of Human Rights and the International Court of Justice in The Hague. Available to purchase alongside any Justis Core product.

CCH Tax Cases

Add-on product

Includes three of the leading dedicated tax law reports for the United Kingdom: British Tax Cases, British Value Added Tax Cases (1973 – present) and Special Commissioners' Decisions (1995 – present). This series provides over 10,000 important tax cases dating back to 1875. Available to purchase alongside any Justis Core product.

Commercial Law Cases

Add-on product

This series contains full law reports from the higher courts, chosen for their usefulness in advising commercial clients. It covers a broad range of commercial and company topics, including competition, intellectual property, banking and insurance law. This series provides important cases dating back to 1991.

Mental Health Law Reports

Add-on product

A comprehensive collection of cases relating to all aspects of mental health law, largely unreported elsewhere, dating back to 1999. This series includes important cases from the European Court of Human Rights, House of Lords, the Family Division and more.

Justis Indexed Content

Included for free with all Justis products

- Locate content from over 100 other services with a single search
- Reduce the risk of missing important content
- Indexed services include Westlaw, LexisLibrary, BAILLI, and more

Justis combines a full-text library with an index of content from all the major platforms, so you can locate a case with a single search across multiple databases. By indexing law reports, judgments and content from other jurisdictions, you can search with the peace of mind that you are reducing the inherent risk of missing a crucial legal authority available elsewhere.

Reduce your risk

Locate cases from other services including Westlaw, LexisLibrary, HeinOnline, BAILLI and over 100 more when using vLex services, such as JustisOne. This ensures that you reduce the risk of missing related and important cases. We link you to both free and commercial services, some of which will require external subscriptions. Only with vLex services can you access over 50,000 cases from the UK, Ireland and the Caribbean which are not available anywhere else.

Reported and unreported

Justis and vLex believe that you should have access to as much supporting material as possible to help your clients, and with only 20% of UK superior court cases being reported each year a large number of important precedents remain out of reach for most practitioners. With Justis' core packages, you will have access to both reported and unreported cases, giving you and your clients the upper-hand in litigious matters.
